Essential Care Greenville LLC

Re: Extension
ORS Class C NON-Emergency Transportation

We are continuing to do our best to provide all documentation and cooperate with policies as they may apply. However, as much as we would have like to have all documents as requested by 16 August 2019, it is much to our regret that we could not obtain documents necessary within this time frame and would like to request that the deadline be extended through until 18 ~~September~~ 2019.

December

Sincerely,

Yelsina Thompson
